

Hawk Mountain Ranger School

10-18 July 2010

***** The HMRS is open to both Cadets and Officers (Sr. members)***** SAR, Survival and Leadership skills are taught and experienced entirely in the field. This is a wilderness school. There are NO dormitories. It will be just you & your team against the elements.

Hawk Mountain Ranger School has a proud history of providing outstanding SAR and emergency services training. The school is conducted in the mountains of PA under mission field conditions and is very physically demanding. Curriculum includes but not limited to: navigation, search techniques & equipment, communication skills, woodsmanship, campsite selection & equipment, first aid, patient evacuation, specialized equipment, health & nutrition, and survival skills. In addition to the practical skills, leadership and character development are also emphasized.
