

# AIRMAN TRAINING SCHOOL

Airman Training School, the second step in the California Wing ILP 2.0, builds on what was learned at BCS and at the squadron by focusing on preparing a student to endeavor towards leadership. The objective of the school is to develop advanced followership skills such as being an active subordinate, flawless wear of both the blues and BDU uniforms and refinement of drill.

Topics Covered at ATS include:

- Customs and Courtesies
  - Motivation
  - Attitude
  - Initiative
  - Professionalism
  - Attitude & Discipline
- Uniform Wear
  - Special items
  - Advance Topics
- PT
- Attitude & Discipline
- Teamwork
- Drill Competition
- NCSA briefing
- Inspection Prep
- Inspection
- Chapter 2-3, LL
- Guidon
- Drill Labs
- Drill Terms

For each ATS, the California Wing Cadet Programs Directorate will provide:

- ATS Program Manual
  - Project Officer's Guide
  - Curriculum Information
  - Course Outlines
- Up to 4 ATS Guidons
- ATS Graduation Certificates
- Cadet Activity Release Forms

For more information on ATS visit <http://www.cawgcadets.org/ilp/ats/> or email [ats@cawgcadets.org](mailto:ats@cawgcadets.org)

ATS can be hosted at the group or squadron level. If you are interested in hosting an ATS, contact the program director at [ats@cawgcadets.org](mailto:ats@cawgcadets.org) or contact the California Wing Cadet Programs Directorate.
