MEMORANDUM FOR CALIFORNIA WING CADET ADVISORY COUNCIL

FROM: THE WING COUNCIL

SUBJECT: CAWG CAC Weekend 2010

1. **PURPOSE:** To provide a forum for CAWG CAC representatives to gather and discuss issues within California Wing. This forum is to provide an opportunity for all representatives within the wing to have a voice and provide in-person feedback.
2. **OBJECTIVES:** With the opportunity given having all representatives present, through a creative atmosphere, we plan to conquer the issues brought to the council's attention. As well as conquering current issues, we plan to discuss possible new activities and meetings to develop and better California Wing's Cadet Program as a whole. With the success of this meeting, we plan to inspire all echelons of Cadet Advisory Council within CAWG to have more meetings like this to generate more progress.
3. **POSSIBLE LOCATIONS:** The best location would be in central California to provide an equal convenience for transportation. The best locations would be Camp San Luis Obispo, Fort Hunter Liggett or Vandenberg Air Force Base. These suggested locations equally provide housing, meeting areas and mess facilities.
4. **POSSIBLE DATES:** The projected date for this activity is planned to be a weekend in the month of September.
