1. If you want to obtain a mission number during the Search and Rescue Exercises, you need to be a trainee or above **BEFORE** the bivouac begins. Discuss requirements with your Commander or ES Officer. Otherwise, attend and learn the basic steps to start your ES team journey.
2. Specialty Qualification Training (SQTRs) for GTL, GTM3, GTM2, GTM 1, UDF, MRO, and MSA are offered. The Skilled Evaluator Trainer will determine your competency based on your skill.
3. Acceptance letters and packing lists will be emailed out after your forms and payment are submitted.
4. Fun, team building competitions are planned similar to previous bivouacs.
