CAMG/NVWG
ENCAMPMENT 2011
LOCATION: MCB CAMP PENDLETON

WELCOME TO THE CADET TRAINING GROUP

The Cadet Training Group was founded in the summer of 1975 at Vandenberg Air Force Base, California. In the 35 years since, the CTG has welcomed and graduated more than 10,000 cadets into its ranks. As CTG graduates have gone on to success in their CAP careers, they have become even more successful in other aspects of their life. CTG

alumni have gone on to become successful leaders in the armed forces of the United States. Former Cadets are now serving in Iraq, Aghanistan and other theaters of operations throughout the world.

Graduates, we welcome you into the distinguished ranks of the Cadet Training Group.

THIS WEEKBOOK IS DEDICATED TO THOSE OF THE CADET TRAINING GROUP WHO HAVE MADE THE ULTIMATE SACRIFICE IN SERVICE TO OUR GREAT NATION DURING THE PAST, PRESENT, AND FUTURE OF THIS GLOBAL WAR ON TERROR. BECAUSE THESE BRAVE YOUNG AMERICANS ANSWERED THEIR NATION'S CALL TO ARMS, WITH COURAGE, DIGNITY, AND HONOR, WE DEDICATE THIS BOOK TO THE LEGACY THEY LEAVE BEHIND.

LtCol Antony Upton

...joined CAP as a cadet in September of 1964 and has ever since been an inspiration to thousands of CAWG members. He served as Director of Cadet Programs for CAWG and provided countless opportunities for cadets to experience and achieve so much. During the years he served as the Encampment Commander, those who worked for him were blessed by such a kind motivating leader. As Spaatz recipient #99 he was a driving force in cadet's lives to achieve their best and never give up in the face of a challenge. His own sons were highly involved and successful cadets in CAP as well and continued their father's passion for the Cadet Programs. On December 11th 2010 he died in a bulldozer accident on his Santa Barbara ranch. This Wing will never forget the man that gave us so much through his dedication, passion, and continued service so that our cadets may experience so much. His life serves as an example for our service.

[FATHERS IN CAP]

and Capt

Kevin Garland

...was the kind of leader who taught people to be their best. He led by example, always fair, speaking articulately and with confidence, knowledge, and passion. Capt Garland was excellent at informing people of their mistakes without making them feel defensive, but rather inspiring within them a genuine desire to improve. Alternately, if he gave praise, I knew it was well deserved and earned. His standards were high, but he always expressed his faith in our ability to meet them, and he motivated us to do so. Everything he did was guided by honor. Try as I might, there are no words to express the kind of positive impact he had on those who knew him. My life would not be the same if I had not met Capt Garland, and his memory still inspires me to try to be better. He changed my perception of what a leader ought to be. He was not just smart, charismatic, and hilariously funny, but also *wise*. He could see problems and situations from angles other people would overlook. Capt Kevin Garland lived the kind of life and made an impact of the kind that few can hope to achieve. But if everyone strove for his standard of excellence, the effect would be immeasurable. He was a man who loved his family, his country, and his God; he was a great leader, a great teacher and mentor, and a great friend.

Congratulations on successfully completing the 2011 California/Nevada Wing Joint Encampment! You have completed a challenging week that took you out of your comfort zone, taught you to push your limits, learn more about yourselves, and how to work as a member of a team. I hope that your accomplishment here will give you the confidence to try new things in your CAP home squadron as well as your personal life. I look forward to seeing you at future CAP activities and hearing about your successes.

Your basic Encampment is the beginning of many difficult tests in your Civil Air Patrol career. It is a place of Teamwork, Discipline, and Success. You signed a contract to giving 100% of yourself, and you followed through with your commitment, leaving here as a member of the life-long team. The training you have acquired here gives you the ability to take the next step in achieving any goal in life. You first have to take those steps. I am proud of you and look forward to seeing you excel as future leaders of the Cadet Training Group.

You have been given a test. This test was not one of a classroom, but one of your character, mental strength, and your determination to succeed. Along the way you faced many obstacles that made quitting look enticing, but you did not fall for it. You cannot think back to this test and not remember the many tools that were given to you to ensure your success. From the CTG Commander to the Logistics NCO, everyone here was committed to seeing you grow as an individual. You were given a test, and by coming together with your team, you passed.

We pushed your limits and you became a team in order to achieve success. You disciplined yourself, relied on others, and in turn, helped others who needed your help. At the beginning of the week, I presented you with a challenge; you overcame and seized the opportunity becoming a member of The Cadet Training Group. I now present you with a new challenge and opportunity – keep pushing yourself in Civil Air Patrol and throughout life. Accepting this challenge will make many opportunities available to you.
