LT.COL. ETHYLE E O'NEAL
ENCAMPMENT PUBLIC RELATIONS OFFICER

SPECIAL THANKS TO LtCol O'NEAL for this publication. Many diligent and time consuming hours were spent to get this booklet into publication.

IT WAS COMPLETED BEFORE THE END OF THE ENCAMPMENT.

If you find mistakes in this publication please consider that they are there for a purpose. We publish something for everyone, and some people are always looking for them. "MISTAKES" !!

Congratulations for completing a difficult and challenging task!

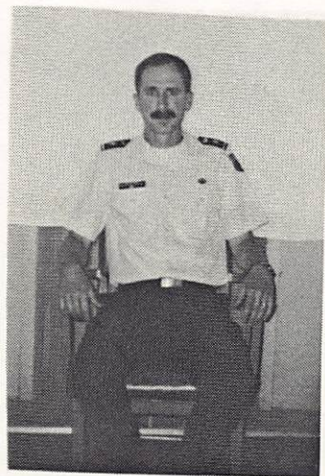

The Pacific Region Summer Encampment Program is by far and away the finest in CAP, and you have performed with distinction. You and I both know that it has not been easy. Nothing worthwhile ever is. I promise that you will be rewarded for the hours you have spent on the drill pad and on "Dorm Maintenance Activities" -- although the reward may not come from the direction you think.

I charge you now with the responsibility of returning to your wings and squadrons and teaching others some of what you have learned here; basic military skills, the value of a team; and esprit de corps. Remember, however, a squadron meeting is not encampment, and the measure of leadership is not loudness.

Plan to be with us again next year! I invite you to apply for Cadet Staff or to attend as a member of the Advanced Training Flight.

Good luck in your CAP career.
